### Questionnaire

At this year's AGM, it was decided to canvas opinion from the members and users of the forum, on the UK Seahawks Booster Club, as this has not been done for many years. Please take time to complete the questionnaire which can be found via the following link:

### Trip to Seattle – Motherland III

You should all know by now that Seahawk Blue are organising a weekend extravaganza to coincide with the game against the Rams (21<sup>st</sup> September). If you are interested in going, can you please ensure that myself or Brithawk are informed. I know time is rapidly running out to reserve game tickets, so recommend you do so ASAP. As I write this there are 7 of us making the trip.

### Wembley Tickets – Chargers v Saints

Those of you interested in attending this game should know that NFL UK are undertaking a second sale of tickets on June 27<sup>th</sup> via Ticketmaster. If you haven't been selected for this second sale you may wish to go to the forum, as some users have been selected but are willing to pass on their purchase codes to the "first come first served" as they have already obtained tickets.

I'll be there along with Chip, my brother (jagster) and a mate (Pats Fan – Boo), so hopefully see you there. Let's hope the weather is kind and both teams are up for the challenge.

### Forum

Another plug for the forum – just in case you didn't know it was there. Always good to keep in touch, with what is happening along with news/opinions of other members and fans.

You are all invited to

## The Annual UK Booster Club's

# BBQ

August 10<sup>th</sup>

Venue will hopefully be announced soon. We are looking for somewhere in the centre of the UK.

I'm slotting this in now so that you can put this date in your diaries. For all members of the Booster club, the BBQ is **free**. If you would like to bring families and friends that aren't members, then we will be charging £5 a head (adults only). We had a great time last year, and hope to get more people this year. We are still experimenting with the format and are hoping to have activities organised for the day for all.

Please try and make it as it is always good to meet up, and especially talk to like minded people who love the Seahawks.

I will e-mail everyone when we know the final details.

### **And finally.....**

It is always difficult to find much to write about at this time of year, hence the newsletter this time around is pretty brief. If anyone out there has anything to add for next months, I would be extremely grateful. I may also start reinstigating the "Meet the Members" section – so be warned. If you are interested in taking part, please let me know.

### ***Love Pops***
